SUMMARY OF RECORD OF INTERVIEW**Via Electronic Filing**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sirs:

This is in response to the Examiner's Interview Summary dated December 8, 2009. In addition to what was discussed, the Examiner was asked if the amendment submitted for discussion would overcome the present rejections and she answered in the affirmative.

A few days later she called to propose allowing the application by adding claim 18 subject matter to claims 1 and 13. When asked what basis she had for this position given the results of the interview she had no response other than that she would allow the application with that amendment.
